Planning

Congratulations on your engagement! Choosing the right DJ service is one of the most important decisions you will make when planning your wedding. With over a decade of experience, we guarantee the perfect atmosphere for you and your guests! Our music library consists of over 60,000 songs and our online event planner makes planning your wedding reception a breeze! The personal service you receive will ensure a positive experience with All Occasion DJs!

Listed below is the order of events for a traditional wedding reception. (This may be altered at your request)

Cocktail Hour

We set the mood with music carefully selected to suit your taste.

After the cocktail hour, your Master of Ceremonies coordinates with your wedding party for the Grand Entrance. Your wedding party will be lined up in the following order:

- Parents of the Bride and Groom (Bride's Parents Leading 1st)
- Bridesmaids and Ushers
- Flower Girl(s) and Ring Bearer(s)
- Maid of Honor and Best Man
- Bride and Groom

Once the wedding party has entered the reception, the bride and groom will be introduced to a song of their choice.

First Dance

Directly following your introduction, you will be invited to the dance floor for your first dance. At your request the bridal party may join half way through or a separate song may be chosen for them.

Toast/Blessing

After the first dance, the toast and or blessing is given. Your M.C. will ask all the guests to find their seats and invite the person you have chosen (most likely the best man/maid of honor) to say a few words. *If a blessing is to be given, this would take place first followed by the toast.*

Dinner

Dinner music will set the mood for the evening as you and your guests enjoy their meals.

Cake Cutting

At this time, we have a vast array of music from which you can choose, unless of course you prefer the traditional "The Bride Cuts the Cake."

Parent Dances

First is the Bride/Father dance and second is the Groom/Mother dance. Please see our music list to help find a special song.

Optional Bouquet/Garter

This part of the reception normally follows the Parent Dances. We have many music selections to choose from the garter / bouquet toss.

Dancing

Using our online event planner, allows you to customize your reception music. All Occasion DJs will work you to make your reception a memorable one. The evening will finish with a last dance song of your choice.

Questions & Answers

Q: Can we come see you perform?

A: As most of our performances are at private functions, we cannot invite you to peek in on us. The best thing to do is to set up a time to meet/talk with your DJ. You will get a better feel for what we are like as opposed to looking in on someone else's event.

Q: How far in advance should we book our DJ?

A: DJ's tend to be booked for key dates at least a year in advance. Once you have your event date/time and location picked out - you should be locking in your entertainment.

Q: What time will you arrive to set up for my event?

A: We arrive 1 hour ahead of the contracted start time to allow for set up and preparation.

Q: Will you take requests?

A: Yes. All Occasion DJs tries to accommodate your guests' requests.

Q: What type of equipment do you use?

A: We use professional disc jockey equipment. We offer a wireless microphone for use during your reception.

Q: How do we reserve your services?

A: Your date will be reserved upon receipt of your signed contract and deposit.

Q: What form of payments will you accept?

A: We accept Cash, Check, or Credit Card.

Q: What is included in the cost of my event?

A: Setup/breakdown time, performance time and lights are included in the price quoted to you. There are no hidden charges.
